Synopsis:

How good are you at generating a flow of innovative ideas for the development of your business? Unless you are naturally creative, the average business owner would usually admit to limited skills in this area, yet this fast-moving world increasingly demands clever thinking to out-fox our competitors. This session will provide you with a suite of highly practical and participative tools to get your creative juices flowing.

Terms: *Payable on presentation and in advance of the event. Any cancellation must be made in writing at least 48 hours prior to the event, or payment will be due in full.
