Synopsis:

Getting the best out of everyone is likely to have a telling effect upon your business results in 2012. The current economic environment has affected the mood of many people. Some manage to retain high energy and enthusiasm despite any environmental factors and those people leave clues that show how they manage to do so. We shall explore the different motivators and needs we all have and show that a careful analysis of our individual drivers is the key to sourcing the necessary ingredients needed to uplift a person's outlook. This session will help you to better understand why motivation levels in your business might not be as high as they could be and identify some alternative strategies for firing your people up.

Terms: *Payable on presentation and in advance of the event. Any cancellation must be made in writing at least 48 hours prior to the event, or payment will be due in full.
